

Morningside Academy

Gala/Auction Celebrating 31 Years of Changing Lives!

Friday, March 25, 2011, Doubletree Arctic Club Hotel

MISSION: Morningside Academy (MA) seeks to provide learners, who may be struggling, the opportunity to catch up, build up and get ahead in an effort to enable them to achieve their greatest potential.

Extensive assessments and research-based methods, proven to be effective, are utilized in this unique program.

Students in our program fall within the guidelines of children or youth who have average or above average IQ's and who may have been diagnosed with a learning disability or attention issues such as ADD or ADHD. Most students entering the program are not performing to their potential in their current educational setting, and all want to catch up and get ahead. The program does not serve students with severe emotional or behavior problems.

MA is a 31-year old Grade 1—9 laboratory school located in Seattle that enjoys a nationwide reputation as an "academic boot camp" that has helped more than 20,000 students to date. Some characteristics of the program are a 1:10 teacher/student ratio, placement of students in classes by skill levels instead of by age or grade and a system of teaching reasoning, problem solving, and learning skills as part of each class. The focus is on Foundation skills, the basics of reading, writing, and mathematics, but content classes and project-based research are introduced to students as they advance through the continuum of the progressive steps of the program.

Students practice alone and with others until they reach effortless, accurate mastery. Instruction follows a sequence of model, instruction, practice and application. Timed segments enable students to chart their own progress based on the principles of precision teaching. MA guarantees a year of growth in the child's area of greatest deficit or money back. Certain restrictions and conditions apply. In 31 years the school has refunded less than 1% of the total tuition.

We are a 501 (c) (3) organization that receives no federal or state funding,
Tax ID No. **91-1183562**.

Morningside Academy also operates a teacher-training institute.

We rely on the generosity of the caring people of our community.

Our hope is that you will want to partner with us.
