

Morningside Academy

# Summer School 2012

*"Teaching is adjusted until the student is successful. No one falls through the cracks. Practicing skills until they are fluent may be the most important part of what we do. Speed and accuracy together is what 'fluency' is all about."*

## ASSESSMENT AND PLACEMENT

Each student who enrolls comes for placement testing prior to the summer program. With this plan, instructional time will not be taken up with testing. Based on the assessment results, students will be enrolled in courses that best address academic deficits. If the student does not attend a Placement Assessment session, testing will occur on the first day of school.

## LEISURE PROGRAM

Activities are available before and after classes for an additional fee.

*Excellent Curriculum Design + Outstanding Teachers = Guaranteed Academic Success*
