Dear Parents and Guardians,

On Friday, February 9th we will take our annual trip to the Summit at Snoqualmie! We meet at Morningside Academy at **7:00 AM** and return at approximately **4:00 PM**. Please return the Permission Slip by January 5th. Let us know if you need a scholarship.

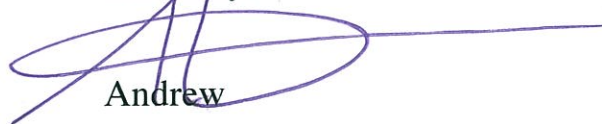

This is a family event and we encourage parents and guardians to chaperone on the hill, lodge, tubing area, and on the bus. We greatly appreciate your help. Please fill out the chaperone information sheet on the appropriate permission slip if you can join us. Siblings whose parents or guardians are chaperones are also welcome.

While this outing is, of course, for experienced skiers and boarders, it is also for children, youth, and adults who have never skied or snowboarded before. Tubing is also an option.

We hope every student can go with us this year. Students will be placed in groups according to their ability. For instance, beginners will be placed in small groups and assisted by a Morningside teacher or chaperone. Advanced skiers or boarders will be grouped with others who share the same skill level.

We recommend that your child bring a change of clothes, lunch and/or money to purchase lunch at the lodge.

Sincerely,

Andrew
