## Fall 2018 Extended Day Activities

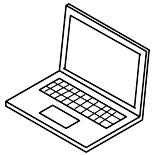

Monday, September 17<sup>th</sup> – Thursday, December 13<sup>th</sup>

We offer a great variety of after school activities to Morningside Academy students! **Please review the extended day options below for Monday, September 17<sup>th</sup> through Thursday, December 13<sup>th</sup>. You'll find the program details in the chart on the following page.** Please note that there are not extended day classes during Professional Development days and school closures.

To enroll, circle the activity you would like to participate in and send your check to the front desk with this completed form. **Payment is required to reserve your space.** All students who have not yet paid or who sign up after the enrollment maximum has been reached will be placed on a waiting list. If you are in need of financial assistance, please email Jen at [jen@morningsideacademy.org](mailto:jen@morningsideacademy.org).

**For all after school activities, we ask that students remember to pack a snack!**

### Monday – Creative Computing

Morningside welcomes back Computing Kids for “Creative Computing with Scratch 201.” Scratch is a visual drag and drop programming language developed at MIT. Through creating animations and developing interactive games, students learn the fundamentals of programming, including initialization, looping, and conditional statements as well as advanced concepts like message handling, global and local variables, and clones.

### Tuesday – Field Sports

End your school day with an energetic hour of exploring field sports! Join Wushu instructor Rusty for a variety of fun activities. This may include soccer, Ultimate Frisbee, track and field exercises, and more. There are also planned rain-day indoor games as the weather turns. Be sure to dress in comfortable clothes and bring a water bottle! You could be the next American Ninja Warrior!

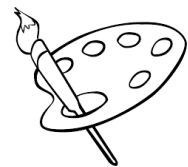

### Wednesday – Magic: The Gathering

Learn the rules and strategies of this exciting card game. We will have an ongoing tournament and practice the considerate giving and taking of feedback, creative problem solving, and etiquette through friendly competition. Students must bring a playable deck, which can be purchased at most game stores.

### Thursday – Arts & Crafts

Have fun exploring a mixed media approach to drawing, painting, and sculpting. Students will develop their art-making skills and explore personal areas of creative interest. This is a Morningside tradition and favorite! Please note the class continues to spring and there may not be spaces available come next sign-up.
