

Too Tasty Lunch Program

Hello Parents!

We are so excited to (re) introduce ourselves and our lunch service to the new and returning parents. We are Too Tasty Lunches and we have collectively been serving healthy and tasty lunches to schools in the greater Seattle area for over 20 years.

All of our meals are prepared in-house, using a minimum of processed ingredients. We use as many local and organic products as possible to prepare our lunches and take great care in our preparation. All lunches are served with a main entrée with a side of a grain, bread or pasta, along with fresh fruit and a vegetable side. The lunches are \$4.50 + tax for a regular size, and \$5.50 + tax for a larger portion of everything.

We use an on-line ordering system (Boonli) that you will be able to access at any time with your account. See the reverse of this letter for detailed information. Each day you will have several items to choose from.

We are aware that many children have food needs out from the mainstream, so we like to offer a vegan/dairy-free and/or gluten free entrée most days of the week. This way all children have a chance to be included in the lunch program.

We add new, delicious, and kid-tested entrées every month. We have been tasting and modifying our entrees throughout the summer and are excited to share these tasty changes and new flavors with your kids! We like to introduce new healthy food trends and hope you will encourage your kids to try something new.

We are always open to your ideas, to what your child's favorite meals are, and for your comments and feedback. Feel free to send them on to us at tootastylunches@gmail.com.

Thank you for supporting the lunch program and welcome to the new school year!
